#COVID19 #postCOVID19 #ITplanning #ITstrategy

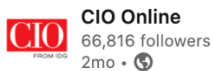

What the **pandemic** has done is made business realize the *importance of IT*.
The reason we're working today is *because of IT*.

– **Shivkumar Gopalan**, CIO, Unit4

CEOs are looking to CIOs to drive transformation and business strategy. It's essential **#ITleaders** recognize that is their role – that they part of the business, says Danielle Brown, VP and **#CIO**, Brunswick Corporation

Read more about the role of today's CIO: <https://trib.al/iBUlhU5>

[IT leaders] need have to have a **seat at that table** and, *more importantly*, a **voice at that table**, because your voice is based on a *vantage point* that others don't have.

– **Danielle Brown**, Vice President and CIO, Brunswick Corporation
