SPONSORED WHITE PAPERS AND TOOLS ::

Whistle-Blowing: HR's Unique Role & Responsibilities

What happens when the circumstances seem to call for HR itself to blow the whistle? As members of management responsible for compliance in many key areas, HR professionals can end up caught in a bind or subject to a conflict of interest that can be difficult to resolve without going to the authorities. The goal of this Bloomberg BNA white paper is to help HR professionals avoid having to file a whistle-blower retaliation lawsuit while protecting themselves in case the necessity does arise, and to help employers avoid having to defend against such suits by following proper procedures in the first place.
